Palladam, Tamil Nadu

OBJECTIVE

Motivated Computer Science and Engineering student with strong interest in software development and problem-solving. Passionate about learning new technologies and applying programming skills to real-world projects.

EDUCATION

V.S.B Engineering College, Karur (2023–2027)

B.E. Computer Science and Engineering – CGPA: 8.69

Adithya International School, Coimbatore (2022–2023)

Higher Secondary Education – 70%

PROJECTS

1. WellNest – Smart Health and Fitness Companion

Developed a health and fitness tracking application to monitor workouts, nutrition, sleep, and water intake. The system provides personalized health insights and promotes consistent healthy habits through structured data management using Java and SQL.

2. Intelligent Complaint Tracker – Project

Developed a complaint management system to register, categorize, and track complaints efficiently using Python and SQL. Implemented priority-based complaint handling and real-time status updates to improve issue resolution.

3. Online Notes Sharing Platform

Built a secure web-based platform for sharing notes with user authentication and role-based access control. Focused on data security, usability, and efficient database management using Python and MySQL.

4.Interactive Dashboard

Created an interactive dashboard using Excel to visualize data through charts and reports, enabling easy data analysis and informed decision-making.

INTERNSHIPS

- **Let's GameTech** – Full Stack Development Internship
- **Infosys** – Software Development Internship

CERTIFICATIONS

- [Programming in Java](#) – NPTEL Certification (Silver Milestone)
- [Cloud Computing](#) – NPTEL Certification (Elite Milestone)
- [Power BI Certification](#) – NoviTech
- [Full Stack Development](#) – Let's GameTech Certification

TECHNICAL SKILLS

Java, Python | HTML, CSS | SQL, MySQL | Git, GitHub | Excel

SOFT SKILLS

Problem Solving | Teamwork | Communication Skills

PROFESSIONAL SKILLS

- [Linkedin-link](#)
- [GitHub-link](#)
- [LeetCode-link](#)

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge.

Yours Sincerely,
Savitha S
